Lindsey Smith Promoted to Assistant Supervisor in Probation and Parole District 5

FRANKFORT, Ky. (May 16, 2018) – Kentucky Department of Corrections Division of Probation and Parole Director John Hall today announced the promotion of Lindsey Smith to District 5 assistant supervisor. District 5 includes Breckinridge, Bullitt, Grayson, Hardin, Hart and Meade counties.

"Lindsey Smith is a knowledgeable and highly motivated individual," said Hall. "She is always ready and willing to assist with special assignments, which has helped her acquire a wide variety of experience as a probation and parole officer. I am confident she will excel as an assistant supervisor."

Smith began her career with the Department of Corrections in May 2008 as a probation and parole officer in the Leitchfield Office of District 5. Throughout her career she has supervised offenders in Hart County, including a sex offender caseload and a low level caseload. Over time she has developed an outstanding relationship with court and other local authorities who see her as a trusted and extremely competent source of information and assistance.

In addition to her assigned duties, Smith has helped supervise and clean up vacant caseloads district-wide, as well as train new officers. She has also assisted the department by participating in local job fairs. In 2014, she was chosen to be a part of the ACA Mock Compliance Audit Team. Recently, she has assisted in KOMS testing and has served on the ACA compliance review team for the Division of Probation and Parole.

Smith graduated in 2007 from Western Kentucky University with a bachelor's degree in psychology. In 2013 she received the District 5 Achievement Award.
